### THIS SURVEY:-

fulfills the requirements of an ACCURATE OUTLINE SURVEY as defined by the Mendip Cave Survey Colloquium (also C.R.G. grade 6SD, except East Series which is grade 5D).  
was made by B.M.Ellis, M.T.Mills, W.N.Tolfree & others, 1964-7. Full details appear in S.M.C.C. Journal, Series 4, Number 3.  
is published by the SHEPTON MALLET CAVING CLUB, 1968. Further copies are available through the Mendip Cave Survey Scheme.
